

## **Case Study Template**

### **Background:**

- Brief paragraph (3-4 sentences) giving an overview of the project.
  - Include a description of the client, the purpose of the project and any relevant context needed to understand the importance of the case.
  - Include information about the partnership of organizations involved

### **Strategies:**

- 1 paragraph explaining the process of execution.
  - Outline 2-3 key objectives of the project.
  - Describe the methods used to meet each objective.

### **Results:**

- Write one brief sentence giving a broad overview of the final results of the project.
- Then in a bulleted list, identify 3-5 of the main achievements of the project, especially in relation to the objectives specified in the “Strategies” section.
  - Include relevant clips, links and images.
